EXTERNAL HARD DISC DRIVE
STATE-OF-THE-ART TECHNOLOGY

TEACs new family of external Hard Disc Drives and HDD Movie Players offer integral backup and multimedia functions. The digital world is at your fingertip.

- Sufficient storage space for presentations and personal data
- Your photos, your videos and your music
- Secure anytime, anywhere access
- Need storage now? Plug it in, connect the USB cable and add instant capacity to your home computer
- Back up all the PC and Macs on your network automatically to a single, secure location
- Your work, to go. Take business files with you using the portability of our smart external hdds
- Multimedia Solutions: our huge capacity HDDs are the ideal choice for the home video maker

Dual Hard Disk Drive
HD-35 x2PUK

FEATURES

DEUTSCH
- Kapazitäten von 1 TB, 1,5 TB und 2 TB
- USB 2.0-Schnittstelle
- Speicherwunder für Musik, Filme, Fotos und Spiele

ENGLISH
- Capacities of 1 TB, 1.5 TB and 2 TB
- USB 2.0 port
- Storage wonder for music, movies, photos and games.

SPECIFICATIONS

- Interface: USB 2.0
- 2 x SATA HDD / JBOD
- Access Time: 9.5 msec
- Spindle speed: 7200 rpm
- MTBF: 100,000 POH
- Dimensions: (W x H x D) 70.2 x 171 x 174.2 mm
- Weight: 1,9 kg
- Power requirement: DC 12V/2.2A & 5V/2.2A
- Safety standards: CE/FCC

System requirements

An available USB port (USB version 2.0) Windows: IBM PC-compatible Pentium III 600 MHz computer, Windows 2000 / XP, MS Vista (full installation, no upgrades. Windows 95 and NT 4.0 are not supported), 64 MB of RAM, CD-ROM drive or Internet access (to download driver software)

Package contents

External USB hard drive, USB 2.0 interface cable, 220 V AC power adapter and cable, support stand, manual.

External 3.5” HDD WITH 2xSATA HDD / JBOD
